ABSTRACT:

The project web page (www.cebama.eu) has been set up. It comprises a public area as well as an intranet.

A blog is under preparation.

RESPONSIBLE:

Jane Perrone (Amphos 21), as indicated in Grant Agreement

MAIN TEXT:

The project webpage as been set up and made accessible since the beginning of the project at the following address : www.cebama.eu.

It is composed of both a public and restricted access areas.

The public webpage provides a description of the project (objectives, participants, outcomes...) as well as information on relevant project events, public deliverables and publications.

The intranet, is an area with access restricted to the project partners, containing all the relevant documentation on the Project and allowing file sharing between partners.

The blog will be accessible via the intranet and is intended as an additional communication tool aimed at facilitating exchange within the project community on project related topics and other subjects of potential interest for the patners.
